

THE UNIVERSITY OF
MELBOURNE

OFF CAMPUS TRAVEL AND WORK EHS Manual

This checklist is to be used in conjunction with the Environment Health and Safety Manual Procedure 7.1 Off Campus Travel and Work Policy.

Vaccination Guidelines

Staff and students traveling overseas because of work or studies are advised to make sure that immunizations are up to date. Please complete the following immunization questionnaire and submit the form to your treating doctor or the Health Service to arrange the appropriate vaccinations. This form should be completed at least 6 weeks before the date of travel.
